

Greetings,

I am pleased to present to you an overview of the operations of the Toccoa Police Department for 2018. This information gives an insight into what we do to make our community safer. Without your cooperation and assistance, we as a police department limit ourselves in what we can accomplish. With this in mind, we actively seek partnerships with community leaders and our citizens.

It is our goal to develop long-lasting, nurturing partnerships within the community while continuously searching for solutions to a more effective police/community relationship.

We all should be proud of the dedication and commitment given to our community by the men and women of your Police Department. Since 2016, calls for service have increased while many of our crimes have decreased. We contribute this to our on-going effort to building relationships, trust, and communications with our community. We continuously strive to build greater faith and confidence in our abilities to serve your needs, while seeking to build a trusting partnership. In 2018 we have made it part of our mission to continue nurturing this philosophy and to build even stronger community support.

It is an honor to serve as your Chief of Police. I sincerely appreciate the community's support and am available to assist in any way possible.

Sincerely,

Chief Jimmy Mize
